

"O Come, O Come Emmanuel" lyrics

Chris Tomlin Lyrics

"O Come, O Come Emmanuel"

Townswoman 2: O come, O come, Emmanuel
And ransom captive Israel
That mourns in lonely exile here
Until the Son of God appear **Faint Harmony**
Rejoice, rejoice, Emmanuel **Town in faintly**
Shall come to thee, O Israel

Townswoman 1: O come, Thou Day-Spring **Town background**
Come and cheer
Thy spirits by Thine advent here
Disperse the gloomy clouds of night
And death's dark shadows put to flight **Town louder**

All in: Rejoice, rejoice, Emmanuel
Shall come to thee, o Israel

Intermission
Repeat Chorus 2X:
